Surely the Presence of the Lord is in This Place

Surely the presence of the Lord is in this place.
I can feel His mighty power and His grace.
I can hear the brush of angels' wings.
I see glory on each face.
Surely the presence of the Lord is in this place.

In the midst of God's children
The Lord said He would be.
It doesn't take very many,
It can be just two or three.
And I feel that same sweet spirit
That I've felt oft times before.
Surely I can say
That I've been with the Lord.
Repeat 1st verse

Peace Song

Let there be peace on earth and let it begin with me;
Let there be peace on earth, the peace that was meant to be.
With God as Creator, family all are we.
Let me walk with my family in perfect harmony.
Let peace begin with me, let this be the moment now.
With every step I take, let this be my joyous vow:
To take each moment and live each moment in peace eternally.
Let there be peace on earth and let it begin with me!

Lord's Psalm

Our Holy Father, we praise your name,
Your will in heaven and earth the same.
Supply our needs Lord, from day to day,
Let your spirit guide our way.
Lead us away from temptation's hold,
Deliver us Lord into your fold .
For all the kingdom, power and praise,
With you begins and with you stays.
A-men A-men A-men
A-men A-men A-men

You Are the Vine

You are the vine, we are the branches
Keep us abiding in you.
You are the vine, we are the branches
Keep us abiding in you.

And we'll go in your love
And we'll go in your name
That the world will surely know
That you have power to heal and to
love.
You are the vine, we are the branches
Keep us abiding in you.
You are the vine, we are the branches
Keep us abiding in you.

Five Tenets of Unity

1. God is absolute good, everywhere present.
2. Human beings have a spark of divinity within them, the Christ spirit within. Their very essence is of God, and therefore they are inherently good, also.
3. Human beings create their experiences by the activity of their thinking. Everything in the manifest realm has its' beginning in thought.
4. Prayer is creative thinking that heightens the connection with God-Mind and therefore brings forth wisdom, healing, prosperity, and everything good.
5. Knowing and understanding the laws of life, also called Truth, are not enough. A person must also live the Truth that he or she knows.
